

AI Avatar Consent Addendum

Version 1.2 · Complete unsigned example

This Addendum is supplemental to my AI Avatar Consent Form. It does not replace or modify that agreement, and where a question in this Addendum was left blank, I have given no instruction on that subject.

This unsigned example shows every question, answer choice, conditional field and signature area. Nothing is selected: the options below are not instructions or permissions. In the completed document, each answer becomes a clause in the signer's own words; skipped questions say: No instruction provided by User regarding this subject.

Section 1. Access While You Are Alive

Who may use your AI avatar while you are alive?

Available choices (none selected in this example):

- ☐ Only me
- ☐ Me and the people I have specifically authorized
- ☐ Anyone whom my authorized administrator permits
- ☐ Do not make my avatar available to anyone other than me until after my passing
- ☐ Other

Please describe: _____

This controls who may use your avatar. It does not by itself grant anyone administrative rights over your account or your materials.

Section 2. What Should Happen If You Become Incapacitated?

If you are alive but unable to manage your account yourself, what would you like to happen?

Available choices (none selected in this example):

- ☐ Keep all existing access unchanged
- ☐ Allow my Primary Beneficiary / Representative to manage access, or my Secondary Beneficiary / Representative if the Primary cannot act
- ☐ Other

Please describe: _____

This instruction does not itself create a power of attorney, guardianship or other legal authority, and it does not override applicable law.

Section 3. May Your Representative Remove Someone's Access?

May your authorized representative remove someone's access to your avatar?

Available choices (none selected in this example):

- ☐ Yes
- ☐ Yes, but only because of security concerns, abuse, misuse, harassment, or a similar significant reason
- ☐ No, specifically authorized people should remain authorized unless required by law or platform policy
- ☐ Other

Please describe: _____

Section 4. May Your Representative Add New People?

May your representative give avatar access to people you did not specifically name?

Available choices (none selected in this example):

- ☐ Yes, to family members
- ☐ Yes, to friends
- ☐ No, only people I specifically authorize may receive access
- ☐ Other

Please describe: _____

Section 5. Sharing Conversations, Recordings, and Clips

May authorized users share conversations or content created through your avatar?

For each item, select Yes / No / Privately only (none selected here):

- ☐ Conversation recordings — Yes / No / Privately only
- ☐ Audio clips — Yes / No / Privately only
- ☐ Video clips — Yes / No / Privately only
- ☐ Screenshots — Yes / No / Privately only
- ☐ Written transcripts — Yes / No / Privately only
- ☐ Generated images — Yes / No / Privately only
- ☐ Other generated media — Yes / No / Privately only

If applicable — If private sharing is permitted, with whom?

- ☐ Family
 - ☐ Friends
 - ☐ Other authorized users
 - ☐ Other
-

Section 6. Public Availability

May your AI avatar or content generated by it ever be made publicly available?

Available choices (none selected in this example):

- ☐ Never
- ☐ Only with approval from my designated representative
- ☐ Other

Please describe: _____

Public availability can include memorial websites, public social-media posts, exhibitions, public links, and other public distribution.

Section 7. Commercial Use

May your AI avatar, identity, voice, likeness, or generated content be used commercially?

Available choices (none selected in this example):

- ☐ No commercial use
- ☐ Commercial use only with approval from my designated representative
- ☐ Yes, subject to the restrictions I provide below
- ☐ Other

Please describe: _____

If applicable — Describe what commercial uses you permit or prohibit

Your answer: _____

Ordinary platform fees charged for operating this service do not by themselves constitute commercial exploitation of your likeness.

Section 8. Topics Your Avatar Should Not Discuss

Are there subjects you do not want your avatar discussing?

Available choices (none selected in this example):

- ☐ Financial information
- ☐ Medical information
- ☐ Intimate or romantic relationships
- ☐ Private family matters
- ☐ Legal matters
- ☐ Specific people
- ☐ Details of my passing
- ☐ Other

Please describe: _____

Additional instructions or prohibited topics: _____

Section 9. People Who Must Never Receive Access

Are there people you specifically do not want to have access to your avatar?

Person's name: _____

Relationship: _____

Identifying detail: _____

Reason / explanation: _____

This is an access restriction within this service. It is not a restraining order or any other legal prohibition.

Section 10. How Creative May Your Avatar Be?

How should your avatar respond when it does not know exactly what you would have said?

Available choices (none selected in this example):

- ☐ Highly grounded — stay closely tied to things I actually said, wrote, recorded, or provided
- ☐ Grounded with reasonable inference — reasonable conversational inference is acceptable when necessary
- ☐ Expressive — my avatar may be somewhat imaginative when appropriate, provided generated or uncertain information is not knowingly presented as verified fact about me

Optional further instructions: _____

Section 11. AI Disclosure

How would you like people to be informed that they are interacting with an AI representation?

Available choices (none selected in this example):

- ☐ Clearly disclose it before each new interaction
- ☐ Clearly disclose it when the user first receives access
- ☐ Use another disclosure method

Describe the method: _____

The platform may provide additional AI disclosures whenever required by law, safety requirements or platform policy, regardless of the option you select.

Section 12. Handling Uncertainty and Unknown Memories

What should your avatar do when it is uncertain about something concerning your life?

Available choices (none selected in this example):

- ☐ Clearly say that it does not know
- ☐ Explain that it is uncertain and may offer a reasonable possibility
- ☐ Other

Please describe: _____

No selection here authorizes the service to knowingly present invented biographical facts about you as true.

Section 13. Who May Modify Your Avatar's Memories?

After your passing, who may add, edit, correct, or remove information from your avatar's memory?

Available choices (none selected in this example):

- ☐ Nobody
- ☐ Primary Representative only
- ☐ Primary Representative, or Secondary Representative if the Primary cannot act
- ☐ Specifically selected people

Name the people who may do this: _____

- ☐ Other

Please describe: _____

Section 14. May New Information Be Added After Your Passing?

May authorized people add new information about you after your passing?

Available choices (none selected in this example):

- ☐ No
- ☐ Yes
- ☐ Yes, but only historical or factual information
- ☐ Yes, subject to the restrictions below

If applicable — What may they add?

- ☐ Family stories
- ☐ Photographs
- ☐ Videos
- ☐ Audio recordings
- ☐ Corrections
- ☐ Historical records
- ☐ Biographical information
- ☐ Written memories from other people
- ☐ Other

Further instructions about added information: _____

Where technically possible, anything added after your death is recorded as added after your death and not directly provided by you.

Section 15. Resolving Disagreements

If authorized people disagree about your avatar, whose instructions should control?

Available choices (none selected in this example):

- ☐ Freeze disputed changes until the disagreement is resolved
- ☐ Follow the highest-ranking available person's instruction
- ☐ Other

Please describe: _____

Rank the order of authority:

- ____ Primary Representative
- ____ Secondary Representative
- ____ Named Alternate
- ____ Other

Any action taken by the platform remains subject to applicable law and platform requirements.

Section 16. If Your Primary and Secondary Representatives Cannot Act

What should happen if neither your Primary nor Secondary Representative can act?

Available choices (none selected in this example):

- ☐ Freeze administrative changes until legally authorized instructions are received
- ☐ Appoint an Alternate Representative

Contact: name / email / phone / relationship: _____

- ☐ Other

Please describe: _____

Section 17. Permanent Deletion

What are your wishes regarding permanent deletion of your AI avatar?

Available choices (none selected in this example):

- ☐ Do not schedule automatic deletion
- ☐ Delete my avatar after a number of years following my passing

Number of years: _____

- ☐ My authorized representative may request permanent deletion
- ☐ My representative may not voluntarily permanently delete my avatar
- ☐ Other

Please describe: _____

Legal, security, backup, regulatory or technical retention obligations may affect when particular data can actually be deleted.

Section 18. Personal Instructions

Is there anything else you want us, your family, or your authorized representatives to know about how your AI avatar should be used?

This is your opportunity to describe wishes that were not covered by the previous questions.

Your instructions: _____

Execution and Signature

This Addendum is supplemental to my AI Avatar Consent Form. It does not replace or modify that agreement, and where a question in this Addendum was left blank, I have given no instruction on that subject.

Blank fields below illustrate the completed document; no one has signed this example.

Full legal name: _____

Date of birth: _____

Account username: _____

Email address: _____

Addendum version: 1.2

Addendum document ID: _____

Electronic Execution Record

Signer name: _____

Signer email: _____

Signed at (date, time, time zone): _____

Network address: _____

Addendum document ID: _____

Addendum version: _____

Drawn electronic signature: _____

Typed legal name of signer: _____

Page acknowledgement record

The signed document records drawn initials and a timestamp for every page of completed instructions. This example intentionally contains none.
